

Register for Teladoc Before You Need Care

When you aren't feeling well, the last thing you want to do is spend time creating an account before you can see a doctor. That's why now is the perfect time to register for your no-cost Teladoc benefit through the Joint Health Management Board (JHMB).

Get Started in 4 Simple Steps

- 1 Confirm Your Eligibility**
Enter your personal information exactly as it appears on file with the Fresno Unified Benefits Office.
- 2 Confirm Your Coverage**
Select the Fresno Unified/JHMB coverage that matches your information.
- 3 Create Your Account**
Add your contact information, create your username and password, and set your security questions.
- 4 You're Ready!**
Your Teladoc account is set up and ready whenever you need care.

To ensure your account is connected to your Fresno Unified/JHMB benefits, please register carefully:

- ✓ Use your personal information exactly as it appears on file with the Fresno Unified Benefits Office.
- ✗ Do **not** select "I received a Teladoc code from my employer or insurance company" during web registration.
- ✗ Do **not** enter insurance information during registration.
